

## 9<sup>th</sup> Intercontinental Personal Care Excellence Conference (IPCE)

**PISA - Grand Hotel Continental (Tirrenia) - Jun 29<sup>th</sup>-Jul 2<sup>nd</sup> 2026**

IPCE over the years has established itself as a connecting bridge between the last IFSCC Congress and the following one: Cannes and Perth!

High-level social events, including the optional Aperidinner at the Carrara Marble coves and the Farewell Dinner at the President Estate will complete the excellent scientific program, in which the authors of the best Posters at the last IFSCC Congress alternate with internationally renowned Master Speakers

As usual, we have chosen prestigious locations: Grand Hotel Continental on the seaside of Pisa, the UNESCO city of Galileo Galilei, the father of modern Science, will be the venue of the Conference, while the spectacular Piazza dei Miracoli, will host the gala Dinner
